Vascular and Fibroid  
Specialists Delivering  
Up-to-Date Treatments

If you feel run down all the time or have a strange sore on your leg, you may have circulation problems. If you feel pelvic pain and have severe menstrual cramps, you may have fibroids. In both cases, visit a compassionate expert who knows what to look for and how to address the conditions. Dr. George Bolotin is an acclaimed Interventional Radiologist who specializes in vascular health concerns, such as vein problems and fibroids. Get an accurate diagnosis and effective treatment at the Astra Vein Treatment Center in Brooklyn, NY. Call today for an appointment. (718) 222-0225
