About us

In Hackensack, New Jersey, the best spine surgery center is Premier Brain & Spine. With three top-rated neurosurgeons, this spine and orthopedic center delivers minimally invasive, fast-working treatments to get you out of pain.

Dr. Wells-Roth, Dr. Singh, and Dr. Greenberg are three of the most experienced spine specialists in the New Jersey area. They have a combined experience of over 60 years and have successfully treated thousands of patients ranging from complex spinal deformities to acute neck pain. All three surgeons have extensive training in minimally-invasive spine surgery.

A team of the most experienced spine experts is among the country's best neurosurgeons and spine surgeons. If your goal is to live a pain-free and active lifestyle, visit us to meet the team of the best-in-class spine surgeons and top-rated neurosurgeons in New Jersey.
